**BEST PRACTICE**

(Academic Year: 2022-23)

---

**Book Bank Scheme**

---

**1. Objective of the Practice:**

Academic help to the poor and needy, but intelligent students

**2. Need Addressed and the Context:**

Most of the advanced learners in our institution come from underprivileged classes. They need extra reading. However, due to their financial constraints, they cannot buy books. Therefore, this intellectual need of theirs is fulfilled through this scheme.

**3. The Practice:**

Advanced learners from economically weaker sections of the society are identified and their list is displayed on the notice board of the institution. Such students are given any three books, generally related to their study, that they demand. They can keep these books with them throughout the academic year. Besides these books, they are given a book on certain day for a week. This helps them greatly in their study. 80 students across all programmes and courses benefited from the scheme in the academic year 2022-23.

**4. Evidence of Success:**

The students that have availed this scheme have fared well at the examinations. They admit that the scheme was quite helpful in preparing for the examination in the better manner.

**5. Resources:**

The institution provides the required resources to make the books available to the poor and needy, but intelligent students under this scheme.
