COLLEGE, MANDRUP**

**Innovation Practice  
(MANTHAN)**

Our college practices a very innovative and unique program called Manthan. It is conducted early in the morning before the commencement of the first lecture every day. All the students of all faculties come together on a playground and they share their thoughts ideas feelings experiences on various topics and burning issues in the society. Students participate and share their views spontaneously. They encourage others to motivate and participate. For this they have to prepare a little. They read newspapers books magazines visit library browse on internet and collect the information. The students of graduation or mature enough to express their independent views. They have thrown light on various topics listed below.

- 1) National unity
- 2) Today's youth
- 3) Humanity
- 4) Mobile craze
- 5) There is no way out without education
- 6) Women's Education
- 7) Health is Wealth
- 8) Literature Moment
- 9) Addiction and youth
- 10) Kabir's Dohe and Meanings
- 11) Parables
- 12) Poetry Reading
- 13) Awakening through Poetry
- 14) Life and Humor
