

## **Alumni Association**

### **Introduction:**

The main aim of the establishment of the Alumni Association is to give the platform for the students who passed out from the institute. With the sole aim of making a permanent bond with the students of yesterday, the association has been formed. There are so many reasons other than the said above. The association provides a platform for exchange of new ideas between alumni and the present students. Alumni members can easily get the access to the present students to inform the new development in different fields. The alumni can share their experiences and also suggest innovative ideas to the management as well as to faculty members and to current students.

### **Objectives:**

1. To foster a spirit of loyalty.
2. To promote the general welfare of the organization.
3. Alumni relations is an important part of institution.
4. To guide and help present students.
5. To help to improve the quality of the institution.

### **Function / Role:**

The alumni association can extend all assistance and co-operation for the institution in its progress for the growth and development of education and research every field. The alumni association encourages and assists the students of the institute in various academic and cultural activities. The alumni can donate some amount for the help and benefit of the needy and poor students of the institute. They extend financial support to the institute also. They can generate donations and funds for conducting various programmes for achieving the objectives of the association. The alumni association can play a very important role in all activities of the institute taking active part in it.

### **Activities:**

1. The alumni association extended its hand in doing tree plantation in and around the campus of the institute.

2. Also the member enthusiastically participated in the activities organized on the day of Annual Day celebration. They encourage all students to take part in cultural activities and in other related events organized on that day.
